Subject: FY 2019 WIFIA Notice of Funding Availability Released!

\$6 Billion in Loans Available for Water Infrastructure Projects

Today, the U.S. Environmental Protection Agency (EPA) announced the availability of approximately \$6 billion in credit that could finance over \$12 billion in water infrastructure projects through the Water Infrastructure Finance and Innovation Act (WIFIA) program. Prospective borrowers seeking WIFIA credit assistance must submit a letter of interest no more than 90 days after the Notice publishes in the Federal Register.

About WIFIA

Established by the Water Infrastructure Finance and Innovation Act of 2014, the WIFIA program is a new federal loan and guarantee program at EPA. It aims to accelerate investment in our nation's water infrastructure by providing long-term, low-cost supplemental credit assistance for regionally and nationally significant projects.
